Dear Romie,

On the occasion of your retirement from active duty and transfer to the Fleet Reserve, it is a particular pleasure for me to commend you on the outstanding service you have rendered to the Naval Service and to the United States.

Yours has been a career marked by unstinting dedication to your profession and cheerful fulfillment of the duties and obligations placed upon you as a Petty Officer in the United States Navy. You may be justly proud of the contributions you have made to sustain the high standards and excellence expected of Naval Petty Officers.

During the past seven years it has been my good fortune to have had the benefit of your superior skills when you served as a member of my personal staff. As you prepare to embark on new adventures, please know that you have my very best wishes for all the success you so richly deserve.

Yours,

STANSFIELD TURNER
